**Mission Goal:** To get away from your everyday life and to go out and have a blast.

**DEADLINE:** Monday, October 26<sup>th</sup> (no later than 10PM PST)

### **Description:**

This is to ensure you actually get out of the house, step away from the keyboard and hit the field. Check off as many things from either Prodigy or drewder's list. The one that gets the most points wins the PRIZE.

### **Rationale:**

The idea of going out and opening as many sets as possible while racking up points and completing task after task. There is more to be announced later when all this is said and done.

If we can't tell which list or task you have in your pics/video, there will be ZERO points earned.
